REGULATIONS

Concerning the Scientific and applied competition
"Financial Foresight"

Ekaterinburg
2023

	<p style="text-align: center;">REGULATIONS Concerning the Scientific and applied competition "Financial Foresight"</p>	1 st Edition
		p.2 of 13

1. General provisions

1.1. This Regulation on the Scientific and Applied Competition "Financial Foresight" (hereinafter referred to as the Regulation) regulates the procedure for organizing and conducting the Scientific and Applied Competition "Financial Foresight" (hereinafter referred to as the Competition).

1.2. The competition is held within the framework of the Congress of Economists and Financiers of the Eurasian Economic Youth Forum (hereinafter referred to as the EEYF). EEYF website's Internet address www.eurasia-forum.ru

1.3. Contest Organizer:

Ural State University of Economics (USUE), Institute of Economics and Finance, Regional Center for Financial Literacy.

1.4. Co-organizers of the Contest:

Universities-organizers of foreign and regional EEYF sites that have chosen this competition for implementation on their sites. The list of foreign and regional sites that have chosen this Competition is indicated on the Competition page of the Congress of Economists and Financiers of the EEYF website, as well as on the foreign/regional Sites of the EEYF website themselves

1.5. The aim of the course is to create a sustainable interest and motivation of young people in Russia and other countries to participate in activities aimed at improving the financial literacy of the population of their countries.

2. Terms of participation in the Contest

2.1. Participants of the Competition are students, postgraduates, young specialists of educational organizations, academic institutes and other interested organizations of Russia and foreign countries under the age of 35 (hereinafter referred to as Participants).

2.2. There is no registration fee for participation in the contest. The cost of accommodation for nonresident participants, food and transportation costs for participation in the full-time stage of the competition are paid by participants themselves, or by sending organizations.

3. Procedure and terms of the Contest

3.1. The competition is an annual event and is held during the summer semester. The final terms of the Competition, as well as its main stages, are established by the order of the Rector of the Ural State University of Economics.

3.2. The competition is held in three stages.

3.2.1. THE FIRST STAGE (qualifying):

– acceptance, registration and verification of the submitted tender documentation for compliance with the requirements of Section 5 of this Regulation.

– examination of participants' projects submitted during registration to improve financial literacy of a certain category of citizens. Determination of the finalists of the Competition.

The examination of competitive works (selection projects) is carried out by the expert commission of the Competition / expert commissions of the Competition sites. 20-25 people are brought to the final, whose competitive works have scored the highest number of points according to the results of the

	<p style="text-align: center;">REGULATIONS Concerning the Scientific and applied competition "Financial Foresight"</p>	1 st Edition
		p.3 of 13

examination. The lists of the finalists of the Competition are published on the Competition page of the EEYF website.

The first stage is held by the organizing committee of the Competition within the time limits set by the Directorate of the Eurasian Economic Youth Forum and published on the Competition page of the EEYF website.

3.2.1. THE SECOND STAGE (installation STAGE) is held one day before the final of the Contest:

-a master class is organized for the finalists of the Competition, where they are given instructions on the principles and features of developing projects on financial literacy, the existing practice of their application among various categories of the population;

-project groups (teams) of up to 5 people are formed from among the full-time finalists of the Competition based on the principle of including representatives of different countries, cities, and universities in one project group;

– teams receive tasks on the development of new methods for assessing financial behavior and the formation of practical skills for a certain category of citizens.

– the work of the project teams on the implementation of the received tasks of the competition;

– consultations with experts on financial literacy.

3.2.2. THIRD STAGE (final):

- face-to-face defense of projects;

- determination of the winning team and prize-winning teams of the Contest.

4. Requirements for tender documentation and rules of registration of competitive works

At the first stage Participants of the Contest should send them to the Organizing Committee of the Contest in electronic form via a special registration form on the EEYF website www.eurasia-forum.ru. the following package of documents:

1) Participant's application form (Appendix 1) - submitted by filling out the participant's registration form on the EEYF website.

2) A file with a description of a project developed by a participant to improve financial literacy of a certain category of citizens. The project requirements are specified in Appendix 2.

5. Procedure and criteria for evaluating works

5.1. The requirements and criteria for evaluating videos are set out in Appendix 2.

5.2. Project work команд-участников participating teams should include:

- Match the general parameters of the issued task.
- Contain a professional, creative, and innovative component.
- Have the possibility of practical application.

When determining the winners of the Competition, preference is given to projects that demonstrate the practical feasibility and social significance of the issues raised, the possibility of scaling, originality of thinking, creative understanding of existing approaches to solving the problems raised, and the possibility of using project work (ideas) in financial literacy activities.
