|  | <p style="text-align: center;">REGULATIONS Concerning the International Research Competition «Formation and implementation of the financial and investment policy of innovative projects»</p> | 0 th Edition |
| | | Page .2 of 11 |

1. General regulations

1.1. This Regulation (hereinafter referred to as the Regulation) governs the procedure for organizing and holding the International Research Competition “Formation and Implementation of the Financial and Investment Policy of Innovation Projects” (hereinafter referred to as the Competition).

1.2. The competition is held within the framework of the Congress of Strategists of the Eurasian Economic Youth Forum (hereinafter referred to as the EEYF). Internet address of the EEYF website www.eurasia-forum.ru

1.3. Competition’s Organizer:

Federal State Budgetary Educational Institution of Higher Education “Ural State Economic University”, Institute of Additional Education, Department of Management and Entrepreneurship.

1.4. Organizers of the Competition:

Universities-organizers of foreign and regional EEYF sites that have chosen this competition for implementation on their sites. The list of foreign and regional sites that have chosen this Competition is indicated on the Competition page of the Congress of Economists and Financiers of the EEYF website, as well as on the foreign/regional Sites of the EEYF website themselves.

1.5. The purpose of the competition:

- formation of managerial and research competencies in the field of financial management and financial policy, circulating in various segments of the financial markets in Russia;
- formation of a creative and scientific approach among young people to the analysis of existing instruments circulating in various segments of financial markets in the countries of the Eurasian space;
- initiate the professional potential of young people, encouraging them to new ideas, proposals in the field of practical finance, the formation of modern financial mechanisms and tools, using the latest technologies and the ability to predict the future on this basis;
- formation of personnel potential for research, administrative, industrial and entrepreneurial activities.

1.6. Competition objectives:

- identification of the research potential of the participants;
- actualization of the interest of young researchers in the problems of managing financial resources, investing in small and medium-sized businesses, finding ways to solve them in practice;
- exchange of knowledge, ideas, experience in the use of research tools;
- development of scientific and practical recommendations for the formation of the financial policy of economic entities and increasing their investment attractiveness.

2. Scientific directions of the Competition

The goals and objectives of the competition determine the thematic areas of the Competition:

- 1) Fundamentals of the financial policy of economic entities of the countries;
- 2) Financial policy of economic entities in the global market in the context of the implementation of innovative projects;
- 3) Development and regulation of financial and political activities of economic entities.

3. Conditions for participation in the Competition

3.1. Students of all forms of education, graduate students and applicants from Russia and other countries, as well as young professionals under the age of 30 (hereinafter referred to as Participants) are invited to participate in the Competition.

Works prepared by young scientists - candidates of sciences, are not accepted for the Competition.

3.2. Finished works, performed individually or collectively (in teams of up to 5 people), are submitted to the competition.

| | | Page .3 of 11 |

3.3. One participant (including a team member) has the right to submit only one work to the Competition.

3.4. Works of participants that do not meet the requirements of section 5 are not accepted for participation in the competition.

3.5. There is no registration fee for participation in the Competition. Expenses for accommodation of non-resident participants, food and transportation costs for participation in the full-time stage of the competition are paid by the participants themselves, or by sending organizations.

4. Procedure and terms of the Competition

4.1. The competition is an annual event and is held within the framework and terms of the Eurasian Economic Youth Forum. The final dates for the Competition, as well as its main stages, are established by the order of the rector of the "Ural State Economic University" and are published on the EEYF website.

4.2. The competition is held in three stages.

4.2.1. The first stage is the registration of participants and the acceptance of competitive research papers; verification of work for compliance with the requirements for work.

The first stage is carried out by the Organizing Committee of the Competition, within the time limits established by the Directorate of the Eurasian Economic Youth Forum.

4.2.2. The second stage - (qualifying): examination of competitive research papers registered and admitted to the Competition based on the results of the first stage; determination of the finalists of the Competition.

Examination of competitive projects is carried out by the expert commission of the Competition. Lists of Participants who have passed to the final of the Contest are being formed. Lists of finalists are published on the Competition page of the EEYF website.

4.2.3. The third stage is the (final) presentation and defense of the competitive research papers of the finalists; determination of winners and prize-winners of the Competition.

The third stage is held between the finalists of the Competition by means of full-time public defense of the competitive works.

4.3. Based on the results of the Competition, a collection of abstracts of the finalists' works is published. The collection is published in the form of the corresponding chapter of the annual collection of EEYF materials no later than 3 months after the Competition. The EEYF collection of materials is posted in the RSCI, on the USUE and EEYF websites.

5. Requirements for the provided documentation and rules for registration of competitive works

5.1. At the first stage of the Competition, participants send to the Organizing Committee of the Competition in electronic form through a special registration form on the EEYF website www.eurasia-forum.ru. the following package of documents:

1) Participant's application (Annex 1) - submitted by filling out the participant's registration form on the EEYF website.

For the participants of the Competition, representatives of foreign/ regional sites, the application is registered from the page of the foreign/regional site of the EEYF website.

2) A file with the text of the competition work (with a title page, according to Annex 2) is attached to the participant's registration form.

If the work is prepared by a team of authors, one of the authors is registered as the team captain and attaches a file with the text of the competition work to the registration form of the participant, the rest of the authors are registered as team members, without attaching the work;

3) A file with abstracts of the competitive work, reflecting the main provisions and results of the work, is attached to the participant's registration form.

|  | <p style="text-align: center;">REGULATIONS Concerning the International Research Competition «Formation and implementation of the financial and investment policy of innovative projects»</p> | 0 th Edition |
| | | Page .4 of 11 |

All documents are submitted as a single package within the time period specified on the EEYF website.

The absence of any of their documents specified in this paragraph, within the prescribed period, means refusal to participate in the Competition.

5.2. The competition entry must meet the following requirements:

- 1) the work must correspond to the subject of the competition and its scientific directions;
- 2) the work must be original, the percentage of originality of the text is not less than 60%;
- 3) The work must be formatted as follows: file in *.doc or *.rtf format, the name of the author(s) must be indicated in the file name. Font Times New Roman, size - 14 pt, line spacing 1.5. All margins are 20 mm. The text is justified in width without hyphenation. All charts and tables must be inserted into the text. Paragraph indent - 1.25. Sheet orientation is portrait. Volume of work: 20-30 pages.

4) The structural elements of the competitive work should be:

- introduction;
- three chapters (theoretical, analytical, recommendatory);
- conclusion;
- a list of used literature, drawn up in accordance with GOST R 7.0-100-2018; footnotes to the text are given in square brackets with the number of the source in the list of references. There are at least 10 sources in total.

5) reference and / or illustrative material is required: digital data in the text, tables, graphs, diagrams.

6) Abstracts of the work reflecting the general idea of the work should be attached to the scientific work.

5.3. Abstracts of the work should be formatted as follows: line spacing 1.5, on A4 sheets, Times New Roman font, size - 14 pt, margins - 20mm on each side. The volume of abstracts is no more than 3 pages. The text of the abstract should contain information about the author(s) and supervisor.

5.4. Participants who made it to the final of the Competition submit their work in the form of a presentation in Microsoft PowerPoint format. The presentation should not exceed 15 slides.

6. The procedure for holding the Competition and the criteria for evaluating works

6.1. At the first stage of the Competition, the Organizing Committee admits works for further expert evaluation according to the requirements specified in section 5 of the Regulations.

6.2. During the second (qualifying) stage, the expert commission examines the competitive works of the participants and determines 10 (ten) finalists of the Competition.

6.3. Criteria for evaluating competitive works at the second (qualifying) stage:

- 1) registration of work - up to 10 points;
- 2) the relevance of the work - up to 15 points;
- 3) novelty and originality of the work - up to 15 points;
- 4) content of the work: scientific, technical and economic validity of the proposed solutions; logic, scientific style and literacy of presentation; the presence of applications, illustrations, graphic explanations of appropriate quality - up to 40 points;

5) the practical significance of the work, the possibility of approbation and implementation of a business project - 20 points.

6.4. The lists of finalists are posted on the page of the Competition, the participants-finalists are sent information letters about reaching the final.

6.5. Criteria for evaluating participants during the full-time public defense of the project at the third (final) stage:

- 1) relevance - up to 15 points;

| | | |

|  | <p style="text-align: center;">REGULATIONS Concerning the International Research Competition «Formation and implementation of the financial and investment policy of innovative projects»</p> | 0 th Edition |
| | | Page .5 of 11 |

- 2) novelty and originality - up to 15 points;
- 3) significance of project results – up to 20 points;
- 4) project presentation - up to 20 points;
- 5) defense (answers to experts' questions) - up to 30 points

6.6. Priority in the form of additional points (up to 10 points) is given to competitive works completed in the scientific areas of the Competition within the framework of the annual theme of the EEYF.

7. Competition`s Management

7.1. The Competition is managed by the EEYF Directorate and the Organizing Committee of the Competition.

7.2. To organize and conduct the competition, an Organizing Committee is formed, approved by the order of the rector of USUE. The Organizing Committee consists of:

- Chairman of the EEYF Organizing Committee;
- co-chairman of the organizing committee of the EEYF;
- scientific supervisor of the Competition, scientific supervisors of the directions of the

Competition;

- coordinator(s) of the Competition;
- Chairman and members of the expert commission of the Competition;
- representatives of organizations - partners of the Competition,
- Competition`s secretary

7.3. The Organizing Committee carries out general management of the organization and conduct of the Competition.

7.3.1. Chairman of the Organizing Committee:

– approves the Regulations on the Competition, signs the order on holding the Competition and the composition of the Organizing Committee of the Competition, the order on the composition of the expert commission;

– carries out general management of the organization and conduct of EEYF events, within the framework of which the Competition is held.

7.3.2. Organizing committee co-chair:

– carries out direct management of the organization and conduct of the EEYF, together with the scientific supervisor of the Competition, forms the composition of the expert commission of the Competition.

7.3.3. The chairman of the expert commission is the director of the EEYF Congress, in which the competition takes place. The composition of the expert commission includes scientific supervisors of the competition areas, as well as invited experts, representatives of third-party organizations. The decisions of the expert commission are recorded, the protocols are signed by the chairman, co-chairman, secretary and members of the expert commission (Annexes 3, 4).

7.3.4. Scientific Supervisor of the Competition:

- prepares a draft Regulation on the Competition, prepares amendments and additions to it;
- is a co-chairman of the expert commission of the Competition;
- selects the composition of the expert commission of the Competition;

7.3.5 Competition Coordinator:

– ensures the invitation of members of the expert commission of the Competition;

– organizes the distribution of information letters to educational, research and scientific organizations of the Russian Federation and Eurasian countries;
