## **General provisions**

**1.1.** These Regulations (hereinafter referred to as the Regulations) regulate the procedure for organizing and conducting the International Competition of Research Works of Young Scientists and Students "Competitiveness of Territories" (hereinafter referred to as the Competition).

**1.2.** The competition is held within the framework of the Congress of Economists and Financiers of the Eurasian Economic Youth Forum (hereinafter referred to as EEYF) and is implemented at the main site of EEYF - at the Ural State University of Economics (hereinafter referred to as the USUE site); as well as on foreign and regional EEYF platforms that have chosen this Competition.

The list of foreign and regional sites that have chosen this Competition is indicated on the Competition page for the Congress of Economists and Financiers on the EEYF website, as well as on the pages of the foreign/regional sites themselves on the EEYF website.

Internet address of the EEYF website [www.eurasia-forum.ru](http://www.eurasia-forum.ru)

**1.3.** Organizer of the Competition:

Federal State Budgetary Educational Institution of Higher Education "Ural State University of Economics" (Ural State University of Economics), Department of Enterprise Economics, Department of Regional, Municipal Economics and Management, Department of World Economy and Foreign Economic Activity.

**1.4.** Co-organizers of the Competition:

Universities-organizers of foreign and regional EEYF platforms that have chosen this competition for implementation at their sites.

**1.5.** Competition partners:

- Institute of Economics of the Ural Branch of the Russian Academy of Sciences (Institute of Economics of the Ural Branch of the Russian Academy of Sciences),
- Ural branch of the Free Economic Society of Russia.

**1.6.** The purpose of the competition is to improve the quality of training of specialists, increase the interest of young scientists and students in their chosen profession, identify gifted youth and form personnel potential for research, administrative, production and business activities

## **2. Scientific directions (sections) of the Competition**

The competition is held within 3 independent sections:

- 1) Microeconomics (level of interaction between enterprises and organizations);
- 2) Mesoeconomics (regional and sectoral institutions);
- 3) Macroeconomics (institutions of the world and national economy).

## **3. Conditions of participation in the Competition**

**3.1.** of 35 are invited to participate in the Competition (hereinafter referred to as the Participants).

Works prepared by young scientists - candidates of sciences are not accepted for the competition.

	<b>REGULATIONS</b> <b>For the International competition research works of young scientists and students "Competitiveness of territories"</b>	Edition 14
		Page out of

**3.2. Completed works performed individually are submitted to the competition.**

**3.3. One participant has the right to submit only one work to the Competition.**

**3.4. Participants independently decide in which scientific direction (section) the work will be presented.**

**3.5. The works of participants that do not meet the requirements of clause 5 of these Regulations will not be accepted for participation in the competition.**

**3.6. There is no registration fee for participation in the competition. Expenses for accommodation of non-resident participants, food and transportation costs for participation in the full-time stage of the competition are paid by the participants themselves or by sending organizations. The exception is the winners of foreign/regional competition sites.**

#### **4. Stages and timing of the Competition**

**4.1. The competition is an annual event and is held during the summer semester. The final dates for the Competition, as well as its main stages, are established by order of the rector of the Ural State University of Economics.**

**4.2. The competition is held in three stages.**

**4.2.1. The first stage (until March 20, 2024 inclusive) – acceptance and registration of competitive research works in the selected section of the Competition; checking the work for compliance with the requirements for the work.**

The first stage is carried out by the organizing committees of the Competition of the relevant sites:

- organizing committee of the main site of USUE;
- organizing committees of foreign/regional venues.

If less than 10 competitive works in any section are received at a foreign/regional site, then the Competition for this section at this site is considered not to have taken place, and the received works participate in the competition of the main site of USUE on a general basis.

**4.2.2. The second stage (qualifying) (from March 21 to April 1, 2024) – examination of competitive research works registered and admitted to the Competition based on the results of the first stage. Determining the finalists of the Competition from the USUE site and the finalists of the Competition from foreign/regional sites.**

##### **– Conducting the qualifying stage at the USUE site**

The examination of competitive works received through the USUE platform is carried out by expert commissions of the Competition of the USUE site. Commissions are created for each section of the Competition. The commissions select in absentia from 10 to 15 finalists in each section. The final number of finalists from the USUE site depends on the actual number of finalists from foreign/regional sites of the Competition. Lists of finalists who qualified for the finals of the Competition in each section are published on the Competition page of the Entrepreneurship and Engineering Congress of the EEYF website.

##### **– Conducting qualifying stages at foreign/regional competition sites**

	<b>REGULATIONS</b> <b>For the International competition research works of young scientists and students “Competitiveness of territories”</b>	Edition 14
		Page out of

The examination of competitive works at the EEYF sites is carried out by expert commissions of foreign/regional Competition sites. Expert commissions select 5-10 best participants in the national/regional round in each section of the Competition. On April 1, 2024, the organizing committee and expert commissions of the foreign/regional site of the Competition will conduct a full-time defense of the selected works and determine the winner and prize-winners of the national/regional round in each section of the Competition.

The winner (first place) of the national/regional round of each section of the Competition becomes a finalist in the international final of the Competition. He is given the opportunity to participate in the finals of the Competition and other final events of the XIV EEYF on April 23-25, 2024 in person. Payment for travel and accommodation is provided by the main organizer of the EEYF - USUE.

Participants who took 2nd and 3rd place in each section of the Competition will be solemnly presented with certificates and memorable gifts at a foreign/regional site on April 25, 2024.

The general lists of finalists of the international final for each section of the Competition are formed from the finalists from the USUE site and the winners of foreign/regional sites that have chosen this Competition. The general lists of finalists of the sections of the Competition are published on the EEYF website, on the Competition page of the Congress of Management and Law from April 1 to April 10, 2024.

**4.2.3. The third stage (final) (April 24-25, 2024)** – defense and presentation of competitive research works of the finalists; determination of the winners within each direction (section) of the Competition.

The third stage is held between the finalists of the international final of the Competition through public in-person defense of competitive works in sections corresponding to the thematic areas of the Competition. Defense of works remotely, using online communication, is carried out in agreement with the organizing committee of the Competition.

**4.3.** Based on the results of the Competition, a collection of abstracts of the finalists' works is published. The collection is published in the form of the corresponding chapter of the annual collection of EEYF materials no later than 3 months after the Competition. The collection of EEPM materials is posted in the RSCI, on the USUE website and on the EEPM website.

## **5. Requirements for submitted documentation and rules for registration of competitive works**

**5.1.** Research works are submitted to the Competition in one of 3 areas corresponding to the sections of the competition:

- 1) Microeconomics (level of interaction between enterprises and organizations);
- 2) Mesoeconomics (regional and sectoral institutions);
- 3) Macroeconomics (institutions of world and national economics)

**5.2.** Works are submitted to the Organizing Committee of the Competition in electronic form through a special registration form on the EEYF website [www.eurasia-forum.ru](http://www.eurasia-forum.ru).
