1. General provisions

1.1 These Regulations (hereinafter referred to as the Regulations) regulate the procedure for organizing and conducting the International Competition of Research Projects of Young Scientists and Students "Corporate Governance, Business Sustainability (ESG) and Development Projects" (hereinafter referred to as the Competition).

1.2 The competition is held within the framework of the Congress of Economists and Financiers of the Eurasian Economic Youth Forum (hereinafter referred to as EEYF) and is implemented at the main site of EEYF - at the Ural State University of Economics (hereinafter referred to as the USUE site); as well as on foreign and regional EEYF platforms that have chosen this Competition.

The list of foreign and regional sites that have chosen this Competition is indicated on the Competition page for the Congress of Economists and Financiers on the EEYF website, as well as on the pages of the foreign/regional sites themselves on the EEYF website.

Internet address of the EEYF website www.eurasia-forum.ru

1.3 Organizer of the Competition: Federal State Budgetary Educational Institution of Higher Education "Ural State University of Economics" (Ural State University of Economics), Department of Corporate Economics and Business Management.

1.4 Co-organizers of the Competition:

Universities-organizers of foreign and regional EEYF platforms that have chosen this competition for implementation at their sites.

1.5. Competition partners:

- NP "Elite Club of Corporate Behavior";
- ANO "Center for Assessment and Development of Project Management"
- Presidential Program Alumni Association;
- Ministry of Economy and Territorial Development of the Sverdlovsk Region;
- Ministry of Industry and Science of the Sverdlovsk Region
- Sverdlovsk Regional Union of Industrialists and Entrepreneurs;
- Ural branch of the Free Economic Society of Russia.

1.6. Goal and objectives of the Competition:

1.6.1. The purpose of the Competition is to develop management and research competencies in the field of corporate governance and control among young managers aimed at developing civilized norms of proper corporate behavior, strengthening effective interaction between the state and business, and using new modern management technologies. Improving the quality of training of qualified personnel, increasing the interest of young scientists and students in their chosen profession, identifying gifted youth and building personnel potential for research, administrative, production and business activities.

1.6.2. The objectives of the Competition are:

- identify the research potential of young scientists;
- to actualize the interest of young researchers in the problems of corporate governance and sustainable business development, public-private partnerships, investment in the corporate sphere and finding ways to practically solve them;
- exchange knowledge, ideas, experience in using research tools;

REGULATIONS
for the International competition research projects
young scientists and students
"Corporate governance, business sustainability (ESG) and development
projects"

Edition 6

Page out of

- offer scientific and practical recommendations for the development of the theory and practice of corporate governance and sustainable development, project management, corporate finance and investment;

2. Scientific directions (nominations) of the Competition

2.1. The competition is held in 3 categories:

- 1) Best Research Project on Corporate Governance and Sustainability (ESG).
- 2) Best research project in the field of project management.
- 3) Best Research Project in Corporate Finance and Investment.

The Expert Commission of the Competition has the right to allocate additional special nominations.

2.2. Thematic areas of the Competition nominations:

2.2.1. In the category “ **Best Research Project on Corporate Governance and Sustainable Development (ESG)** ”:

- the state in the corporate governance system, the practice of managing companies with state participation;
- ESG - sustainable development strategies in corporate governance and business;
- corporate governance and investment attractiveness of corporate business under sanctions pressure;
- professionalism and independence of boards of directors: and adaptation to the new reality;
- management practices of social and environmental responsibility of business;
- corporate non-financial reporting in Russia as a path to sustainable and balanced relationships with stakeholders: assessment of prospects;
- balance in the development of the corporate governance system and business management system;
- experience in managing Russian integrated corporate structures on the path to economic sovereignty;
- Features of corporate business project management in Russian companies: global challenges and solutions.

2.2.2. In the nomination “ **Best Research Project in the Field of Project Management** ”:

- development of theory and methodology for managing projects, programs and project portfolios;
- development of corporate project management systems;
- project management in government bodies;
- flexible project management methodologies;
- industry specific features of project management;
- public-private partnership projects: efficiency, risks and management problems;
- development of professional project management standards;
- development of project management in small and medium-sized businesses.

2.2.3. In the category “ **Best Research Project on Corporate Finance and Investment** ”:

- corporate finance and investment: experience of empirical research and company practice;

- developing a trend towards socially and environmentally responsible investing;
- new guidelines in the activities of financial, credit organizations, investment funds and stock exchanges as a response to new challenges;
- investment attractiveness of Russian business: how to overcome global challenges;
- searching for criteria for the effectiveness of mergers and acquisitions to form new models of corporate control;
- strategic financial analysis and value creation for company stakeholders;
- dividend policy as a factor influencing the value of companies.

3. Conditions of participation in the Competition

3.1. Students, undergraduates, graduate students, young scientists from educational organizations, academic institutions and other interested organizations in Russia and foreign countries under the age of 35 are invited to participate in the Competition (hereinafter referred to as the Participants).

Projects prepared by young scientists - candidates of sciences are not accepted for the competition.

3.2. Research projects for the Competition can be sent from individual authors or from creative teams (teams of up to 3 people).

3.3. One participant (one team) has the right to submit only one project to the Competition.

3.4. The authors independently decide in which scientific direction (nomination) the project will be presented.

3.5. Projects of participants that do not meet the requirements of Section 5 of these Regulations will not be accepted for participation in the competition.

3.6. There is no registration fee for participation in the competition. Expenses for accommodation of non-resident participants, food and transportation costs for participation in the full-time stage of the competition are paid by the participants themselves or by sending organizations. The exception is the winners of foreign/regional competition sites.

4. Stages and timing of the Competition

4.1. The competition is an annual event and is held during the summer semester.

The final dates for the Competition, as well as its main stages, are established by order of the rector of the Ural State University of Economics.

4.2. The competition is held in three stages.

4.2.1. **The first stage (until March 20, 2024 inclusive)** – acceptance and registration of competitive research projects in the chosen direction (nomination) of the Competition; checking projects for compliance with requirements, required for projects.

The first stage is carried out by the organizing committees of the Competition of the relevant sites:

- organizing committee of the main site of USUE;
- organizing committees of foreign/regional venues.

REGULATIONS

"Corporate governance, business sustainability (ESG) and development
projects"

Edition 6

Page out of

If less than 10 competitive works are received at a foreign/regional site, then the Competition at this site is considered not to have taken place, and the received works participate in the competition of the main site of USUE on a general basis.

4.2.2. **The second stage (qualifying) (from March 21 to April 1, 2024)** – examination of competitive research projects registered and admitted to the Competition based on the results of the first stage. Determining the finalists of the Competition from the USUE site and the finalists of the Competition from foreign/regional sites.

– Conducting the qualifying stage at the USUE site

The examination of competitive works received through the USUE site is carried out by the expert commission of the Competition of the USUE site. The commission selects 10 to 15 finalists in absentia. The final number of finalists from the USUE site depends on the actual number of finalists from foreign/regional sites of the Competition. Lists of finalists who qualified for the final of the Competition from the USUE site are published on the Competition page of the Congress of Economists and Financiers of the EEFY website.

– Conducting qualifying stages at foreign/regional competition sites

The examination of competitive works at the EEFY sites is carried out by expert commissions of foreign/regional Competition sites. Expert commissions select 5-10 best participants in the national/regional round of the Competition. **On April 1, 2024**, the organizing committee and expert commissions of the foreign/regional site of the Competition will conduct a full-time defense of the selected works and determine the winner and prize-winners of the national/regional round of the Competition.

The winner (first place) of the national/regional round of the Competition becomes a finalist international final of the Competition. He is given the opportunity to participate in the finals of the Competition and other final events of the XIV EEFY **on April 23-25, 2024 in person**. Payment for travel and accommodation is provided by the main organizer of the EEFY - USUE.

Participants who took 2nd and 3rd place in the Competition will be solemnly presented with certificates and memorable gifts at a foreign/regional site on April 25, 2024.

The general list of finalists of the international final of the Competition is formed from finalists from the USUE site and winners of foreign/regional sites that have chosen this Competition. The general list of finalists of the Competition is published on the EEFY website, on the page of the Competition of the Congress of Economists and Financiers **from April 1 to April 10, 2024**.

4.2.3. **The third stage (final) (April 24-25, 2024)** – defense and presentation of competitive research projects of the finalists; determination of winners and prize-winners of the Competition.

At the third stage, the works of the Competition finalists are publicly defended.

4.3. Based on the results of the Competition, a collection of abstracts of the finalists' works is published. The collection is published in the form of the corresponding chapter of the annual collection of materials of the XIV EEFY no later than 3 months after the Competition. The collection of EEFY materials is posted in the RSCI, on the websites of USUE and EEFY.

5. Requirements for submitted documentation and rules for registration of competitive works (projects)

5.1. Research works are submitted to the Competition in one of 3 areas corresponding to the competition nominations:

- 1) Best Research Project on Corporate Governance and Sustainability (ESG).
- 2) Best research project in the field of project management.
- 3) Best Research Project in Corporate Finance and Investment.

5.2. Works are submitted to the Organizing Committee of the Competition in electronic form through a special registration form on the EEYF website www.eurasia-forum.ru.

Projects are submitted to the Organizing Committees of the Competition electronically through a special registration form on the EEYF website www.eurasia-forum.ru:

– participants of the main site of the Competition, when registering, choose the USUE Site – Congress of Economists and Financiers – competition “Corporate Governance, Business Sustainability (ESG) and Development Projects”;

– participants of foreign/regional platforms, when registering, select the name of the corresponding site – the competition “Corporate Governance, Business Sustainability (ESG) and Development Projects”.

5.3. To participate in the Competition the following package of documents must be submitted:

1) the author’s statement about participation in the Competition (Appendix 1) – is submitted by filling out the participant’s registration form on the EEYF website.

If the work is prepared by a team of authors, one of the authors is registered as the team captain and attaches the work, the remaining participants are registered as team members. A team member can attach empty files to complete registration.

2) competition work (project) (with a title page in the form of Appendix 2) – attached as a separate file to the participant’s registration form;

3) abstracts of the work reflecting the main provisions and results of the work (in the form of Appendix 3) - attached as a separate file to the participant’s registration form.

5.4. The competition entry must meet the following requirements:

- the work must be submitted within the deadlines established by the rector of USUE and published on the EEYF website;

- the work must correspond to the theme of the competition and its scientific directions (nominations);

- reference material is required: links to sources from which quotes are used, numerical data in the text, tables, graphs, diagrams, bibliography (at least 20 sources);

- scientific work must be original, the percentage of originality of the text is at least 60%;

The work must be formatted as follows: a file in *.doc or *.rtf format, the name of the file must indicate the name of the author(s). Font Times New Roman, font size – 14 pt, line spacing 1.5. All margins are 20 mm. The text is justified without hyphenation. All charts and tables must be inserted into the text. Paragraph indent – 1.25. Sheet orientation is portrait. Volume of work: 20–45 pages.

The list of references is drawn up in accordance with GOST R 7.0.100–2018. Footnotes to the text are given in square brackets indicating the source number in the list of references.

REGULATIONS
for the International competition research projects
young scientists and students
"Corporate governance, business sustainability (ESG) and development
projects"

Edition 6

Page out of

Typical work structure: introduction; three chapters (theoretical, analytical, recommendatory); conclusion and list of references.

5.5. Each research work must have abstracts that reflect the general idea of the work. Abstracts should be formatted as follows: line spacing 1.5 on A4 sheets, font Times New Roman, size 14 pt, margins 20 mm on each side. The volume of abstracts is no more than 3 pages. A sample design is given in Appendix 3.

6. Criteria for evaluating competition entries

6.1. At the first stage of the Competition, the organizing committee admits works for further expert evaluation according to the requirements specified in Section 5 of the Regulations.

6.2. Criteria for evaluating competitive works at the second (qualifying) stage:

- 1) registration of work up to 10 points;
- 2) relevance of the research topic – up to 15 points;
- 3) novelty and originality of the research – up to 15 points;
- 4) content of the study: scientific, technical and economic feasibility of the proposed solutions; logic, scientific style and literacy of presentation; presence of applications, illustrations, graphic explanations of appropriate quality – up to 40 points;
- 5) practical significance of the research results, the possibility of testing and implementing the results obtained – 20 points.

6.3. Criteria for evaluating participants during the full-time defense of work at the third (final) stage:

- 1) relevance of the research topic – up to 15 points;
- 2) novelty and originality of the research – up to 15 points;
- 3) significance of the research results – up to 20 points;
- 4) presentation – up to 20 points;
- 5) defense (answers to expert questions) – up to 30 points.

6.4. If the winners and prize-winners of the nominations of the Competition or the Competition as a whole have the same (equal) number of points, the winners and prize-winners are determined by the decision of the Expert Commission of the Competition .

7. Awarding the winners

7.1. Based on the results of the full-time defense, I, II, III places in each nomination of the Competition are determined and then I, II, III places in the Competition as a whole are determined.

Winners and prize-winners in each nomination of the Competition are awarded certificates for I, II, III places in the corresponding nomination.

Based on the results of the Competition as a whole, the winners and prize-winners of the Competition are determined, they are awarded Diplomas of 1st, 2nd, 3rd degree and large orders “Star of Eurasia” for 1st, 2nd, and 3rd place, respectively.

Participants who took 4th and 5th places in the Competition are awarded Certificates for 4th and 5th places, respectively.

All participants of the Competition receive certificates of Competition finalists in electronic form.

REGULATIONS
for the International competition research projects

7.2. Winners and runners-up (1st, 2nd and 3rd place) of the Competition are awarded cash prizes within the framework of the Competition prize fund, established on the basis of the order of the USUE Rector and in accordance with the protocol of the Expert Commission of the Competition.

Cash prizes (including payment of income tax) are transferred by the Competition organizer within 1.5 months to the personal accounts of winners and prize-winners using the details provided to the Competition coordinator, subject to the provision of copies (scans) of the following documents:

- printout from the bank's personal account: bank details and personal account number for transferring money;
- a copy of the passport page 1, 2 and page with registration;
- a copy of the TIN or a printout of the TIN data from the website.

Cash prizes for foreign participants participating in the finals in person are issued at the USUE cash desk on the day of the award.

7.3. . Participants who take 1st, 2nd and 3rd place at a foreign/regional site are awarded certificates for 1st, 2nd and 3rd place in the national/regional round and small orders "Star of Eurasia".

7.4. The awarding of all finalists of the Competition will take place as part of the final events of the XIV EEYF **on April 25, 2024** simultaneously at the USUE site and at foreign/regional Competition sites using online communication.

8. Management of the Competition on the USUE site

8.1 The Competition is managed by the EEYF Directorate and the Organizing Committee of the Competition.

8.2 Chairman of the EEYF organizing committee - rector of USUE:

- approves the Regulations on the Competition, signs the order on holding the Competition and the composition of the organizing committee of the Competition, the order on the composition of the expert commission of the Competition;
- carries out general management of the organization and conduct of EEYF events within the framework of which the Competition is held.

8.3 To organize and conduct the Competition, an organizing committee of the Competition is formed, consisting of:

- scientific director of the Competition;
- Competition coordinator;
- members of the expert committee of the Competition;
- representatives of organizations that are partners of the Competition,
- Secretary of the Competition.

8.4 Scientific supervisor of the Competition:

- prepares the draft Regulations on the Competition, prepares amendments and additions to it;
- is the chairman (co-chairman) of the expert commission of the Competition;
- selects the composition of the expert commission of the Competition.

8.5. Competition Coordinator:

- ensures the invitation of members of the Expert Commission of the Competition;
- organizes the distribution of information letters to educational, research and scientific organizations of the Russian Federation and Eurasian countries;

REGULATIONS
for the International competition research projects
young scientists and students
"Corporate governance, business sustainability (ESG) and development
projects"

Edition 6

Page out of

- organizes registration (through the registration system of the EEYF website) and verification of compliance of received competition documents with established requirements, sends competition works to members of expert commissions for evaluation;
- organizes and monitors the progress of the Competition;
- organizes the work of the expert commission during the international finals of the Competition;
- organizes the registration of diplomas, certificates and awarding of the winners and prize-winners of the Competition;
- organizes the collection of abstracts of competitive works of the Competition finalists and their transfer to the USUE Publishing House for inclusion in the collection of EEYF materials;
- organizes the collection of necessary documents for issuing cash prizes to the winners and prize-winners of the Competition;
- draws up a report on the Competition.

8.6 To conduct an expert assessment of competitive works, an expert commission of the Competition is created.

The Chairman of the Expert Commission of the Competition is the Director of the EEYF Congress, where the competition is taking place. The co-chairman of the Expert Committee of the Competition is the scientific director of the Competition. The expert commission includes highly qualified pedagogical and scientific workers, leading specialists from among the organizers of the EEYF, as well as invited experts. More than half of the members of the expert commission must be representatives of third-party organizations. Decisions of the expert commission are made by open voting, by a simple majority of votes of the members of the expert commission present, minutes are recorded, the minutes are signed by the chairman, secretary and members of the expert commission (Appendices 4, 6).

Information on the composition of the organizing committee and expert commissions of the Competition is published annually on the Competition page of the EEYF website.

9. Management of the Competition at foreign/regional sites of the EEYF

9.1 The Competition is managed by the organizing committee of the foreign/regional EEYF site and the organizing committee of the Competition of the EEYF site.

9.2 The organizing committee of the Competition of the EEYF site includes:

- Competition coordinator;
- an expert commission of the Competition consisting of at least 3 people from among highly qualified teaching and research workers of the university organizing the site, as well as invited experts.
- Secretary of the Competition.

9.3 Competition Coordinator:

- ensures the invitation of members of the expert commissions of the Competition;
- organizes the distribution of information letters to educational, research and scientific organizations in their country or region of Russia;

REGULATIONS
for the International competition research projects
young scientists and students
"Corporate governance, business sustainability (ESG) and development
projects"

Edition 6

Page out of

- organizes registration (through the registration system of the EEYF website) and verification of compliance of received competition documents with established requirements, sends competition works to members of expert commissions for evaluation;
- organizes the work of expert commissions during the qualifying round of the Competition;
- together with the organizing committee of the USUE site, organizes the departure of the winner of the qualifying round of the Competition to USUE to participate in the international final of the Competition (1st place), as well as the participation of the contestants who took 2nd and 3rd place in the award procedure on April 25, 2024 at their Competition site;
- organizes the transfer of the thesis of the work of the winner of the national/regional round of the Competition to the Competition coordinator of the USUE site for inclusion in the collection of EEYF materials.

9.4. To conduct an expert assessment of the competition entries, an expert commission is created at the foreign/regional site of the Competition.

The composition of the expert foreign/regional commission of the Competition is approved by the organizing committee of the foreign/regional site. The expert commission includes highly qualified pedagogical and scientific workers, leading specialists from among the organizers of the EEYF site, as well as invited experts. Decisions by the expert commission are made by open voting, by a simple majority of votes of the members of the expert commission present, minutes are recorded, the minutes are signed by the chairman, secretary and members of the expert commission (Appendix 5).

10. Coordinates of the Organizing Committee of the Competition

10.1. Organizer of the competition:

Federal State Budgetary Educational Institution of Higher Education "Ural State University of Economics" (Ural State University of Economics)

620144, Ekaterinburg, st. March 8/Narodnaya Volya, 62/45

Tel.: (343) 283-13-28, fax: (343) 283-13-25

Official website of the organization: www.usue.ru

Official website of the Competition and the Eurasian Economic Youth Forum (EEYF):

www.eurasia-forum.ru

USUE departments responsible for conducting the Competition:

– Department of Corporate Economics and Business Management

Contact details of the Competition coordinators are indicated on the Competition page of the EEYF website.

10.2. Co-organizers of the Competition: Universities-organizers of foreign and regional sites of the EEYF, which have chosen this Competition for implementation at their sites. The list of foreign and regional sites that have chosen this Competition is indicated on the Competition page of the EEYF website, in the Congress of Economists and Financiers section, as well as on the pages of the foreign/regional Sites themselves on the EEYF website.

Contact details of the coordinators of foreign/regional sites of the Competition are indicated on the pages of foreign/regional sites of the EEYF website.
