1. General Provisions

1.1. These Regulations (hereinafter referred to as the Regulations) regulate the procedure for organizing and holding the International Championship in website building "IT Constructor" (hereinafter referred to as the Competition).

1.2. The competition is held within the framework of the Congress of Innovators of the Eurasian Economic Youth Forum (hereinafter referred to as EEYF) and is implemented at the main site of EEYF - at the Ural State University of Economics (hereinafter referred to as the USUE site), as well as at foreign and regional sites of EEYF that have chosen this Competition for implementation on their sites. The list of foreign and regional sites that have chosen this Competition is indicated on the Competition page of the Congress of Innovators of the EEYF website, as well as on the pages of the foreign/regional sites themselves on the EEYF website.

Internet address of the EEYF website www.eurasia-forum.ru

1.3. Organizer of the Competition:

" Ural State University of Economics" (USUE), Scientific and Educational Center for Information Technologies.

1.4. Co-organizers of the Competition:

Universities-organizers of foreign and regional EEYF platforms that have chosen this competition for implementation at their sites.

1.4. The goal of the competition is to promote the implementation of creative initiatives of young professionals in the field of website building, web development, and analytics.

1.5. Tasks:

- Identification of talented youth and determination of further prospects for their further development;
- Involving young people in the process of designing, designing, launching and analyzing the website;

Analysis of positive and negative factors in project development;

- Identification and provision of best practices for organizational construction of management systems, implementation of corporate ethics and culture based on an analysis of the processes and results of the development team.

2. Subject of the Competition

The subject of the competitive assessment is an Internet site on a given topic developed within the allotted time of the competition by the participating team.

3. Conditions of participation in the Competition

3.1. Teams consisting of students of all forms of study, graduate students, scientists from educational organizations, academic institutions and other interested organizations in Russia and foreign countries under the age of 35 (hereinafter referred to as Participants), consisting of no more than 4 people, are allowed to participate in the Competition.

3.2. Young scientists who are candidates of science are not allowed to participate in the competition.

	<p style="text-align: center;">REGULATIONS</p> <p style="text-align: center;">For the International Championship in website building “ IT -constructor”</p>	Edition 8
		page 3 of 12

3.3. Each participant must register on the official website of the EEYF.

3.4. There is no registration fee. Expenses for accommodation of non-resident participants, food and transportation costs for participation in the full-time stage of the competition are paid independently by the participants or organizations.

4. Stages and timing of the Competition

4.1. The competition is an annual event and is held during the summer semester. The final dates for the Competition, as well as its main stages, are established by order of the rector of the Ural State University of Economics and are posted on the Competition page of the EEYF website.

4.2. The competition is held in two stages.

4.2.1. **The first stage (until March 20, 2024 inclusive)** - acceptance and registration of applications for participation in the Competition; checking for compliance with the requirements for participants.

The first stage is carried out by the organizing committees of the Competition of the relevant sites:

- Organizing Committee of the USUE Main Site Competition;
- organizing committees of the Competition of foreign/regional sites.

There is no qualifying round for participants in this Competition. All participants who meet the requirements of Section 3 of the Regulations participate in the finals of the Competition.

4.2.2. **Second phase (April 24-25, 2024)** – (face-to-face or remote format), consists of completing work to create a website on a topic chosen from those proposed by the organizers within a certain time; determination of winners and prize-winners of the Competition; rewarding the participants.

For participating teams from foreign/regional sites of the Competition, participation is organized using remote technologies - registered participants receive access to USUE cloud resources based on the MS Office 365 platform and connect to interactive sessions within the events through teams created in Microsoft Teams. **The presence of a camera and microphone for participants taking part remotely is a mandatory condition of the competition.**

By decision of the Organizing Committee of the Competition, individual participants studying in other regions of the country may also be given the right to participate online.

Based on the results of the expert examination of the work, the winner and prize-winners of the Competition are determined, taking 1st, 2nd and 3rd places, respectively, by the number of points scored

At the same time, winners and runners-up (1st, 2nd and 3rd place) of each foreign/regional site of the Competition are determined. They are determined by the number of points scored among site participants.

On April 25, 2024, there will be an in-person awards ceremony for the winners and prize-winners of the Competition as a whole at USUE and the winners and prize-winners of national/regional rounds on the territory of the base universities. The simultaneous awards ceremony will be broadcast via video conferencing.

5. Registration of participants
