#### General regulations

1.1. These Regulations (hereinafter referred to as the Regulations) regulate the procedure for organizing and conducting the International Competition of Research Works of Young Scientists and Students “Logistics and Commercial Challenges in the Context of Creating a Multipolar Reality” (hereinafter referred to as the Competition).

1.2. The competition is held within the framework of the Entrepreneurship and Engineering Congress of the Eurasian Economic Youth Forum (hereinafter referred to as EEYF). Internet address of the EEYF website [www.eurasia-forum.ru](http://www.eurasia-forum.ru)

1.3. Organizer of the Competition:

Federal State Budgetary Educational Institution of Higher Education "Ural State University of Economics" (Ural State University of Economics), Department of Logistics and Commerce.

1.4. Co-organizers of the Competition:

Universities-organizers of foreign and regional EEYF platforms that have chosen this competition for implementation at their sites. The list of foreign and regional sites that have chosen this Competition is indicated on the Competition page of the Congress of Entrepreneurship and Engineering of the EEYF website, as well as on the foreign/regional Sites themselves of the EEYF website

1.5. Competition partners:

- Institute of Economics of the Ural Branch of the Russian Academy of Sciences (Institute of Economics of the Ural Branch of the Russian Academy of Sciences),
- Ural branch of the Free Economic Society of Russia.

1.6. The purpose of the competition is to intensify research work in higher educational institutions, develop forecasts and recommendations for the development and interstate regulation of commodity distribution logistics at the global and national level.

#### 1. Scientific directions of the Competition

Research papers are submitted to the Competition in the following scientific areas:

- 1) Introduction of innovative technologies into the commercial and logistics activities of the enterprise;
- 2) Development of logistics corridors in the context of creating a multipolar world;
- 3) Experience in managing the commercial activities of an enterprise in supply chains;
- 4) E-commerce in the context of international integration.

#### 2. Conditions of participation in the Competition

2.5. Students, graduate students, young researchers from educational organizations, academic institutions in Russia and foreign countries, as well as employees of other interested organizations aged 18 to 35 are invited to participate in the Competition.

Works prepared by young scientists - candidates of sciences are not accepted for the competition.

2.6. Completed works performed individually are submitted to the competition.

3.3. One participant has the right to submit only one work to the Competition.

3.4. The author independently decides in which scientific direction the work will be presented.

3.5. The works of participants that do not meet the requirements of Section 5 of these Regulations will not be accepted for participation in the competition.

3.6. There is no registration fee for participation in the competition. Expenses for accommodation of non-resident participants, food and transportation costs for participation in the full-time stage of the competition are paid by the participants themselves or by sending organizations. The exception is the winners of foreign/regional competition sites.

### 3. Stages and timing of the Competition

4.1. The competition is an annual event and takes place during the summer semester. The final dates for the Competition, as well as its main stages, are established by order of the rector of the Ural State University of Economics.

4.2. The competition is held in three stages.

4.2.1. The first stage (until March 20, 2024 inclusive) – acceptance and registration of competitive research works in the chosen area of the Competition; checking the work for compliance with the requirements put forward for the work.

The first stage is carried out by the organizing committees of the Competition of the relevant sites:

- organizing committee of the main site of USUE;
- organizing committees of foreign/regional venues.

If less than 10 competitive works are received at a foreign/regional site, then the Competition at this site is considered not to have taken place, and the received works participate in the competition of the main site of USUE on a general basis.

4.2.2. The second stage (qualifying) (from March 21 to April 1, 2024) – examination of competitive research works registered and admitted to the Competition based on the results of the first stage. Determining the finalists of the Competition from the USUE site and the finalists of the Competition from foreign/regional sites.

- Conducting the qualifying stage at the USUE site

The examination of competitive works received through the USUE site is carried out by the expert commission of the Competition of the USUE site. The commission selects 10 to 15 finalists in absentia. The final number of finalists from the USUE site depends on the actual number of finalists from foreign/regional sites of the Competition. The list of finalists who qualified for the finals of the Competition from the USUE site is published on the Competition page of the Congress of Entrepreneurship and Engineering of the EEYF website.

- Conducting qualifying stages at foreign/regional competition sites

The examination of competitive works at the EEYF sites is carried out by expert commissions of foreign/regional Competition sites. Expert commissions select 5-10 best participants in the national/regional round of the Competition. On April 1, 2024, the organizing committee and the expert commission of the foreign/regional site of the Competition will conduct a full-time defense of the selected works and determine the winner and prize-winners of the national/regional round of the Competition.

The winner (first place) of the national/regional round of the Competition becomes a finalist in the international final of the Competition. He is given the opportunity to participate in the finals of the Competition and other final events of the XIV EEYF on April 23-25, 2024 in person. Payment for travel and accommodation is provided by the main organizer of the EEYF - USUE.
