**REGULATION**

about the International Olympiad of Scientific and Applied Works for Youth Innovative Eurasia"

Ekaterinburg  
2024

### 1. General regulations

1.1. These Regulations (hereinafter referred to as the Regulations) regulate the procedure for organizing and conducting the International Olympiad of Scientific and Applied Work for Youth “Innovative Eurasia” (hereinafter referred to as the Competition).

1.2. The competition is held within the framework of the Eurasian Economic Youth Forum (hereinafter referred to as the EEYF) and is implemented at the main site of the EEYF - at the Ural State Economic University (hereinafter referred to as the USUE site), within the framework of the Congress of Entrepreneurship and Engineering; as well as on foreign and regional EEYF platforms that have chosen this Competition. The list of foreign and regional sites that have chosen this Competition is indicated on the Competition page of the Congress of Entrepreneurship and Engineering of the EEYF website, as well as on the pages of the foreign/regional sites themselves on the EEYF website.

Internet address of the EEYF website [www.eurasia-forum.ru](http://www.eurasia-forum.ru)

1.3. Organizer of the Competition:

Federal State Budgetary Educational Institution of Higher Education "Ural State Economic University" (Ural State Economic University): Department of Management and Entrepreneurship.

1.4. Co-organizers of the Competition:

Universities-organizers of foreign and regional EEYF platforms that have chosen this competition for implementation at their sites.

1.5. Competition partners:

- Ministry of Investment and Development of the Sverdlovsk Region;
- Institute of Economics of the Ural Branch of the Russian Academy of Sciences (Institute of Economics of the Ural Branch of the Russian Academy of Sciences),
- Ural branch of the Free Economic Society of Russia.

1.6. The purpose of the competition is to identify and develop participants' creative abilities and interest in research work in the innovative field, create the necessary conditions to support young scientists, promote scientific knowledge, attract scientists and practitioners in relevant fields to work with youth, as well as identify gifted youth and formation of human resources for research, management and entrepreneurial activities.

### 2. Thematic areas of the Competition

The competition is held within 2 areas:

- “Innovative development of countries and companies”;
- “Modern management technologies in innovative entrepreneurship.”

### 3. Conditions of participation in the Competition

3.1. Students (students, graduate students) and young scientists, educational organizations, academic institutions and other interested organizations in Russia and foreign countries under the age of 35 are invited to participate in the Competition (hereinafter referred to as the Participants).

Projects prepared by young scientists - candidates of sciences are not accepted for the competition.

Participants studying on the territory of foreign/regional EEYF sites implementing this Competition submit applications and undergo a competitive selection at the organizing university of this site. All other participants submit applications through the main platform of the EEYF - USUE.

3.2. Completed projects, completed individually or by teams of no more than 2 people, are submitted to the Competition.

3.3. One participant has the right to submit only one project to the Competition.

3.4. The author(s) of the project independently decides in which direction the project will be presented.

3.5. Projects of participants that do not meet the requirements of Section 5 of these Regulations will not be accepted for participation in the Competition.

3.6. There is no registration fee for participation in the competition. Expenses for accommodation of non-resident participants, food and transportation expenses for participation in the full-time stage of the Competition are paid by the participants themselves or by sending organizations. The exception is the winners of foreign/regional competition sites.

#### 4. Stages and timing of the Competition

4.1. The competition is an annual event and is held during the summer semester. The final dates for the Competition, as well as its main stages, are established by order of the chairman of the EEYF organizing committee, the rector of USUE and are published on the Competition pages of the EEYF website.

4.2. The competition is held in three stages.

4.2.1. The first stage (until March 20, 2024 inclusive) – acceptance and registration of competitive works in the chosen area of the Competition; checking the work for compliance with the requirements for the work.

The first stage is carried out by the organizing committees of the Competition of the relevant sites:

- organizing committee of the main site of USUE;
- organizing committees of foreign/regional venues.

If less than 10 competitive works in any direction are received at a foreign/regional site, then the Competition in this direction at this site is considered not to have taken place, and the received works participate in the competition of the main site of USUE on a general basis.

4.2.2. The second stage (qualifying) (from March 21 to April 1, 2024) – examination of competitive works registered and admitted to the Competition based on the results of the first stage. Determining the finalists of the Competition from the USUE site and the finalists of the Competition from foreign/regional sites.

- Conducting the qualifying stage at the USUE site

The examination of competitive works received through the USUE site is carried out by the expert commission of the Competition of the USUE site. The commission is created unified for both directions of the Competition. The commission selects in absentia from 10 to 15 finalists of the Competition. The final number of finalists from the USUE site depends on the actual number of finalists from foreign/regional sites of the Competition. Lists of finalists who qualified for the finals of the Competition from the USUE site are published on the Competition page of the Congress of Entrepreneurship and Engineering of the EEYF website.

- Conducting qualifying stages at foreign/regional competition sites

The examination of competitive works at the EEYF sites is carried out by expert commissions of foreign/regional Competition sites. Expert commissions select 5-10 best participants in the national/regional round of the Competition. On April 1, 2024, the organizing committee and the expert commission of the foreign/regional site of the Competition will conduct a full-time defense of the selected works and determine the winner and prize-winners of the national/regional round of the Competition.

The winner (first place) of the national/regional round of the Competition becomes a finalist in the international final of the Competition. He is given the opportunity to participate in the finals of the Competition and other final events of the XIV EEYF on April 23-25, 2024 in person. Payment for travel and accommodation is provided by the main organizer of the EEYF - USUE.

Participants who took 2nd and 3rd place will be solemnly presented with certificates and memorable gifts at a foreign/regional site on April 25, 2024.

The general list of finalists of the international final of the Competition is formed from the finalists from the USUE site and the winners of foreign/regional sites that have chosen this Competition. The general list of finalists of the Competition is published on the EEYF website, on the Competition page of the Congress of Management and Law from April 1 to April 10, 2024.

4.2.3. The third stage (final) (April 24-25, 2024) – defense of competitive works of the international final of the Competition; determination of the winners of the Competition; rewarding

The third stage is held between the finalists of the international final of the Competition through a public in-person defense of competitive works corresponding to the thematic areas of the Competition. Defense of works remotely, using online communication, is carried out in agreement with the organizing committee of the Competition.

4.3. Based on the results of the Competition, the main organizer of the EEYF publishes a collection of abstracts of the works of the Competition finalists. The collection is published in the form of the corresponding chapter of the annual collection of EEYF materials no later than 4 months after the Competition. The collection of EEYF materials is posted in the RSCI, on the USUE website and on the EEYF website.

## **5. 5. Registration of participants, requirements for submitted documentation and rules for registration of competitive projects**

5.1. Scientific works are submitted to the Competition in one of 2 areas of the competition:

- “Innovative development of countries and companies”;
