1.6. Competition objectives:

- identifying the research potential of participants;
- updating the interest of young researchers in the problems of managing financial resources, investing in small and medium-sized businesses, and finding ways to practically solve them;
- exchange of knowledge, ideas, experience in using research tools;
- development of scientific and practical recommendations on the formation of financial policies of business entities and increasing their investment attractiveness.

## 2. Scientific directions of the Competition

The goals and objectives of the competition determine the thematic areas of the Competition:

- 1) Fundamentals of financial policy of economic entities of countries;
- 2) Financial policy of economic entities in the global market in the context of the implementation of innovative projects;
- 3) Development and regulation of financial and political activities of economic entities.

## 3. Conditions of participation in the Competition

3.1 . Students (students, graduate students) and young scientists, educational organizations, academic institutions and other interested organizations in Russia and foreign countries, as well as

professionals under the age of 30 (hereinafter referred to as Participants) are invited to participate in the Competition .

Works prepared by young scientists - candidates of sciences are not accepted for the Competition.

3.2. Completed works performed individually or collectively (in teams of up to 5 people) are submitted to the competition.

3.3. One participant (including a team member) has the right to submit only one work to the Competition.

3.4. The works of participants who do not meet the requirements of section 5 will not be accepted for participation in the competition.

3.5. There is no registration fee for participation in the Competition. Expenses for accommodation of non-resident participants, food and transportation costs for participation in the full-time stage of the competition are paid by the participants themselves or by sending organizations. The exception is the winners of foreign/regional competition sites.

#### **4. Stages and timing of the Competition**

4.1. The competition is an annual event and is held during the summer semester. The final dates for the Competition, as well as its main stages, are established by order of the chairman of the EEYF organizing committee, the rector of USUE and are published on the Competition pages of the EEYF website.

4.2. The competition is held in three stages.

4.2.1. **The first stage (until March 20, 2024 inclusive)** – registration of participants and acceptance of competitive research works; checking the work for compliance with the requirements for work (clause 5 of these regulations).

The first stage is carried out by the organizing committees of the Competition of the relevant sites:

- organizing committee of the main site of USUE;
- organizing committees of foreign/regional venues.

If less than 10 competitive essays are received at a foreign/regional site, then the Competition at this site is considered not to have taken place, and the received works participate in the competition of the main site of USUE on a general basis.

4.2.2. **The second stage (qualifying) (from March 21 to April 1, 2024)** – examination of competitive research works registered and admitted to the Competition based on the results of the first stage. Determining the finalists of the Competition from the USUE site and the finalists of the Competition from foreign/regional sites.

– **Conducting the qualifying stage at the USUE site**

The examination of competitive research works submitted through the USUE site is carried out by the expert commission of the USUE Site Competition. The commission selects 10 (ten) finalists of the Competition in absentia. Lists of finalists who made it to the finals of the Competition are published on the Competition page of the Congress of Strategists on the EEYF website.

### **–Conducting qualifying stages at foreign/regional competition sites**

The examination of competitive research works at the EEYF sites is carried out by expert commissions of foreign/regional Competition sites. Expert commissions select 5-10 best participants in the national/regional round of the Competition. The organizing committee and the expert commission of the foreign/regional site of the Competition will conduct a full-time defense **on April 1, 2024** and determine the winner and prize-winners of the national/regional round of the Competition.

**The winner (first place)** of the national/regional round of the Competition **becomes a finalist** in the international final of the Competition. He is given the opportunity to participate in the finals of the Competition and other final events of the XIV EEYF **on April 23-25, 2024 in person**. Payment for travel and accommodation is provided by the main organizer of the EEYF - USUE.

Participants who took 2nd and 3rd place will be solemnly presented with certificates and memorable gifts at a foreign/regional site **on April 25, 2024**.

The general list of finalists of the international final of the Competition is formed from the finalists from the USUE site and the winners of foreign/regional sites that have chosen this Competition. The general list of finalists of the Competition is published on the EEYF website, on the page of the Congress of Strategists Competition from April 1 to April 10, 2024.

**4.2.3. The third stage (final) (April 24-25, 2024)** – defense of competitive research papers of the international final of the Competition; determination of the winners of the Competition; rewarding

The third stage is held between the finalists of the international final of the Competition through a public in-person defense of competitive research papers. Defense of works remotely, using online communication, is carried out in agreement with the organizing committee of the Competition.

4.3. Based on the results of the final events, a collection of materials from the XIV EEYF is published, where the research works of the Competition finalists will be posted. The collection is published no later than 4 months after the Competition. The collection will be posted in the RSCI and on the website of the Ural State University of Economics (will be located at the link <https://science.usue.ru/nauchnye-meropriyatiya/sborniki-i-itogi>).
