- Peter the Great St. Petersburg Polytechnic University, St. Petersburg;
- Krasnoyarsk Rail Transport Institute, a branch of Irkutsk State Transport University;.

1.6. The purpose of the competition is to stimulate the development of research work and create conditions for the development of creative abilities of students and undergraduates of higher educational institutions; development of recommendations to improve the effectiveness and efficiency of organizations for the purpose of sustainable development, through the introduction of modern approaches based on the principles of quality management.

2. Scientific directions of the Competition

Research works are submitted to the Competition in the following areas:

- 1) Quality and competitiveness of products and services: current state and development trends.
- 2) Ensuring quality, safety, environmental friendliness and resource conservation in modern management systems;

3) Standardization, metrology and certification as quality management tools to improve the effectiveness and efficiency of organizations;

4) Quality of life and environment: transition to a green economy.

3. Conditions of participation in the Competition

3.1. Students and undergraduates of higher educational institutions in Russia and foreign countries aged 18 to 35 years (hereinafter referred to as Participants) are invited to participate in the Competition.

Works prepared by young scientists - candidates of sciences are not accepted for the competition.

Participants studying on the territory of foreign/regional EEYF sites implementing this Competition submit applications and undergo a competitive selection at the organizing university of this site. All other participants submit applications through the main platform of the EEYF - USUE.

3.2. Completed works performed individually are submitted to the competition.

3.3. One participant has the right to submit only one work to the Competition.

3.4. The author independently decides in which scientific direction the work will be presented.

3.5. Works of participants that do not meet the requirements of Section 5 of the Regulations will not be accepted for participation in the competition.

3.6. There is no registration fee for participation in the competition. Expenses for accommodation of non-resident participants, food and transportation costs for participation in the full-time stage of the competition are paid by the participants themselves or by sending organizations.

4. Stages and timing of the Competition

4.1. The competition is an annual event and is held during the summer semester. The final dates for the Competition, as well as its main stages, are established by order of the chairman of the EEYF organizing committee, the rector of USUE and are published on the Competition pages of the EEYF website.

4.2. The competition is held in three stages.

4.2.1. **The first stage (until March 20, 2025 inclusive)** – acceptance and registration of competitive research works in the chosen area of the Competition; checking the work for compliance with the requirements put forward for the work.

The first stage is carried out by the organizing committees of the Competition of the relevant sites:

- organizing committee of the main site of USUE;
- organizing committees of foreign/regional venues.

If less than 10 competitive works are received at a foreign/regional site, then the Competition at this site is considered not to have taken place, and the received works participate in the competition of the main site of USUE on a general basis.

4.2.2. The second stage (qualifying) (from March 21 to April 1, 2025) – examination of competitive research works registered and admitted to the Competition based on the results of the first stage; determination of the finalists of the Competition.

- Conducting the qualifying stage at the USUE site

The examination of competitive works received through the USUE site is carried out by the expert commission of the Competition of the USUE site. The commission selects 10 to 15 finalists in absentia. The final number of finalists from the USUE site depends on the actual number of finalists from foreign/regional sites of the Competition. The list of finalists who made it to the finals of the Competition from the USUE site is published on the Competition page of the Entrepreneurship and Engineering Congress of the EEYF website.

– Conducting qualifying stages at foreign/regional competition sites

The examination of competitive works at the EEYF sites is carried out by expert commissions of foreign/regional Competition sites. Expert commissions select 5-10 best participants in the national/regional round of the Competition. On April 1, 2025, the organizing committee and the expert commission of the foreign/regional site of the Competition will conduct a full-time defense of the selected works and determine the winner and prize-winners of the national/regional round of the Competition.

The winner (first place) of the national/regional round of the Competition becomes a finalist in the international final of the Competition. He is given the opportunity to participate in the finals of the Competition and other final events of the XV EEYF on April 21-25, 2025 in person. Payment for travel and accommodation is provided by the main organizer of the EEYF - USUE.

Participants who took 2nd and 3rd place will be solemnly presented with certificates and memorable gifts at a foreign/regional site on April 24, 2025.

The general list of finalists of the international final of the Competition is formed from the finalists from the USUE site and the winners of foreign/regional sites that have chosen this Competition. The general list of finalists of the Competition is published on the EEFM website, on the Competition page of the Congress of Management and Law from April 1 to April 10, 2025.

4.2.3. The third stage (final) (April 24-25, 2025) – defense and presentation of competitive research works of the finalists; determination of the winners of the Competition; rewarding

The first stage is conducted by the Organizing Committee of the Competition within the time limits established by the Directorate of the Eurasian Economic Youth Forum.

The second stage, the examination of competitive works, is carried out by the Competition expert commission. Lists of Participants who qualified for the finals of the Competition are being compiled. Lists of finalists are published on the Competition page of the EEYF website.

The third stage is held between the finalists of the international final of the Competition through the public defense of competition works. Defense of projects remotely using online communication is carried out by decision of the Organizing Committee of the Competition.

4.3. Based on the results of the Competition, the main organizer of the EEYF publishes a collection of abstracts of the finalists' works. The collection is published in the form of the corresponding chapter of the annual collection of EEYF materials no later than 4 months after the Competition. The collection of EEYF materials is posted in the RSCI, on the USUE website and on the EEYF website.
