## 1. General regulations

1.1. These Regulations (hereinafter referred to as the Regulations) regulate the procedure for organizing and conducting the International Competition of Research Works of Young Scientists and Students “Assessment of Regulatory Impact in State and Municipal Administration” (hereinafter referred to as the Competition).

1.2. The competition is held within the framework of the Congress of Management and Law of the Eurasian Economic Youth Forum (hereinafter referred to as EEYF). The Internet address of the EEYF website is [www.eurasia-forum.ru](http://www.eurasia-forum.ru)

1.3. Organizer of the Competition:

Federal State Budgetary Educational Institution of Higher Education "Ural State University of Economics" (Ural State University of Economics), Department of State and Municipal Administration.

1.4. Co-organizers of the Competition:

Universities-organizers of foreign and regional EEYF platforms that have chosen this competition for implementation at their sites. The list of foreign and regional sites that have chosen this Competition is indicated on the Competition page of the Congress of Management and Law of the EEYF website, as well as on the foreign/regional Sites themselves of the EEYF website

1.5. Competition partners:

- Ministry of Economy and Territorial Development of the Sverdlovsk Region,
- Administration of Yekaterinburg,
- Sverdlovsk regional public organization of the Free Economic Society of Russia.

1.5. The purpose of the Competition is to find ways to improve and develop recommendations to improve the socio-economic efficiency of public administration in Eurasian countries; attracting the attention of young people as potential and actual participants in assessing regulatory impact to the problems of public participation in government; creation of a platform for the exchange of views and experience in the field of regulatory impact assessment;

1.6. The objectives of the Competition are:

- attracting public attention to the problems of socio-economic efficiency of state and municipal government;
- involvement of socially active citizens in important decision-making processes;
- development of measures to improve the quality of legal regulation.
- creation of an information platform for educating young people, instilling in them the skills to participate in government through assessing the regulatory impact;
- generalization of problems and development of recommendations for improving the efficiency of regulatory impact assessment for the transition to a new model of state regulation.

## 2. Scientific directions of the Competition

The competition is held within 3 scientific areas:

- 1) Regulatory impact assessment is a two-way street.

	<p style="text-align: center;"><b>REGULATIONS</b>  <b>For the International competition research competition of  young scientists and students  “Regulatory Impact Assessment  in state and municipal administration”</b></p>	Edition 5
		p.3 out 20

- 2) Strategic partnership between authorities, business and NGOs during public discussion of bills;
- 3) Evidence-based policy and evaluation of the effectiveness of state and municipal projects.

### 3. Conditions of participation in the Competition

3.1. Students, graduate students, young scientists, educational organizations, academic institutions and other interested organizations in Russia and foreign countries under the age of 35 are invited to participate in the Competition (hereinafter referred to as the Participants).

Works prepared by young scientists - candidates of sciences are not accepted for the competition.

3.2. Completed works performed both individually and in a team of no more than 5 people are submitted to the competition. A team is equal to one participant.

3.3. One participant has the right to submit only one work to the Competition.

3.4. Participants independently decide in which scientific area the work will be presented.

3.5. The works of participants that do not satisfy clause 5 of these Regulations will not be accepted for participation in the competition.

3.6. There is no registration fee for participation in the competition. Expenses for accommodation of non-resident participants, food and transportation costs for participation in the full-time stage of the competition are paid by the participants themselves or by sending organizations.

### 4. Stages and timing of the Competition

4.1. The competition is an annual event and is held during the summer semester. The final dates for the Competition, as well as its main stages, are established by order of the rector of the chairman of the EEYF organizing committee - the rector of USUE and are published on the Competition pages of the EEYF website.

4.2. The competition is held in three stages.

4.2.1. **The first stage (until March 20, 2026 inclusive)** – acceptance and registration of competitive research works; checking the work for compliance with the requirements for the work.

The first stage is carried out by the organizing committees of the Competition of the relevant sites:

- Organizing Committee of the USUE Main Site Competition;
- organizing committee of the Regional Competition.

If less than 10 competitive works are received at the regional site, then the Competition at this site is considered not to have taken place, and the received works participate in the competition of the main site of USUE on a general basis.

4.2.2. **The second stage (qualifying) (from March 21 to March 31, 2026)** – examination of competitive research works registered and admitted to the Competition based on the results of the first stage. Determination of the finalists of the Competition from the USUE site and the finalists of the Competition from the regional site.

	<p style="text-align: center;"><b>REGULATIONS</b></p> <p style="text-align: center;"><b>For the International competition research competition of young scientists and students “Regulatory Impact Assessment in state and municipal administration”</b></p>	<p style="text-align: right;">Edition 5</p>
		<p style="text-align: right;">p.4 out 20</p>

#### – Conducting the qualifying stage at the USUE site

The examination of competitive works received through the USUE site is carried out by the expert commission of the Competition of the USUE site. The commission selects **up to 10** finalists in absentia, **including 3 finalists** from the regional site. Lists of finalists who made it to the finals of the Competition are published on the Competition page of the Congress of Management and Law of the EEYF website.

#### – Conducting qualifying stages at foreign/regional competition sites

The examination of competitive research works at the EEYF sites is carried out by expert commissions of foreign/regional Competition sites. Expert commissions select 5-10 best participants in the national/regional round of the Competition. On April 1, 2026, the organizing committee and the expert commission of the foreign/regional site of the Competition will conduct a full-time defense of the selected works and determine the winner and prize-winners of the national/regional round of the Competition.

The winner (first place) of the national/regional round of the Competition becomes a finalist in the international final of the Competition. He is given the opportunity to participate in the finals of the Competition and other final events of the XVI EEYF on April 20-24, 2026 in person. Payment for travel and accommodation is provided by the main organizer of the EEYF - USUE.

Participants who took 2nd and 3rd place will be solemnly presented with certificates and memorable gifts at a foreign/regional site on April 23, 2026.

The general list of finalists of the international final of the Competition is formed from the finalists from the USUE site and the winners of foreign/regional sites that have chosen this Competition. The general list of finalists of the Competition is published on the EEYF website, on the Competition page of the Congress of Management and Law from April 1 to April 10, 2026.

**4.2.3. The third stage (final) (April 21-24, 2026)** – defense of competitive projects of the international final of the Competition; determination of the winners of the Competition; rewarding

The third stage is held between the finalists of the international final of the Competition through public in-person defense of projects. Defense of projects remotely using online communication is carried out by decision of the Organizing Committee of the Competition.

**4.3** Based on the results of the Competition, the main organizer of the EEYF publishes a collection of abstracts of the finalists' works. The collection is published in the form of the corresponding chapter of the annual collection of EEYF materials no later than 4 months after the Competition. The collection of EEYF materials is posted in the RSCI, on the USUE website and on the EEYF website.

### **5. Registration of participants, requirements for submitted documentation and rules for registration of competitive works**
